

Auditor's Additional Comments for the Year 2020

We have audited the financial statements of the Swedish Chamber of Commerce in China (SCCC) for the year ended December 31, 2020.

Methodology

We planned and conducted our audit in accordance with the Articles of Association of SCCC so as to obtain reasonable assurance that the financial statements were free from material misstatements. During our audit, we tested and reviewed the basis and documentation for the amounts and disclosures in the financial statements. In addition, we evaluated the overall adequacy of the presentation in the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Our audit did not result in any qualifications.

Other comments

Based on the audit for 2020 we have the following additional comments, which we would like to bring to the attention of the manager of SCCC.

We have noted that there are some expense without formal "fapiao" as original vouchers, so we suggest that the expenditure should obtain valid receipt in time.
