

# Vasaloppet China

January 4th

With a history of more than 20 years, Vasaloppet China is the largest, oldest and most international cross-country skiing event in China. It will be held on January 4<sup>th</sup> every year. It's the first Worldloppet event of the year.

We have 50KM gold race, 25KM silver race, and 6km/1.5km/0.3km race for beginners. More than just competitions, the event is more like a big winter party. Whether beginners or elite athletes can enjoy the fun of snow sports here.

Here you will have a very special skiing experience.

## 1. Unique amazing snow sculpture

More than 200 snow sculptures surround the starting area of Vasaloppet China. You must be shocked by the huge main sculpture with a height of

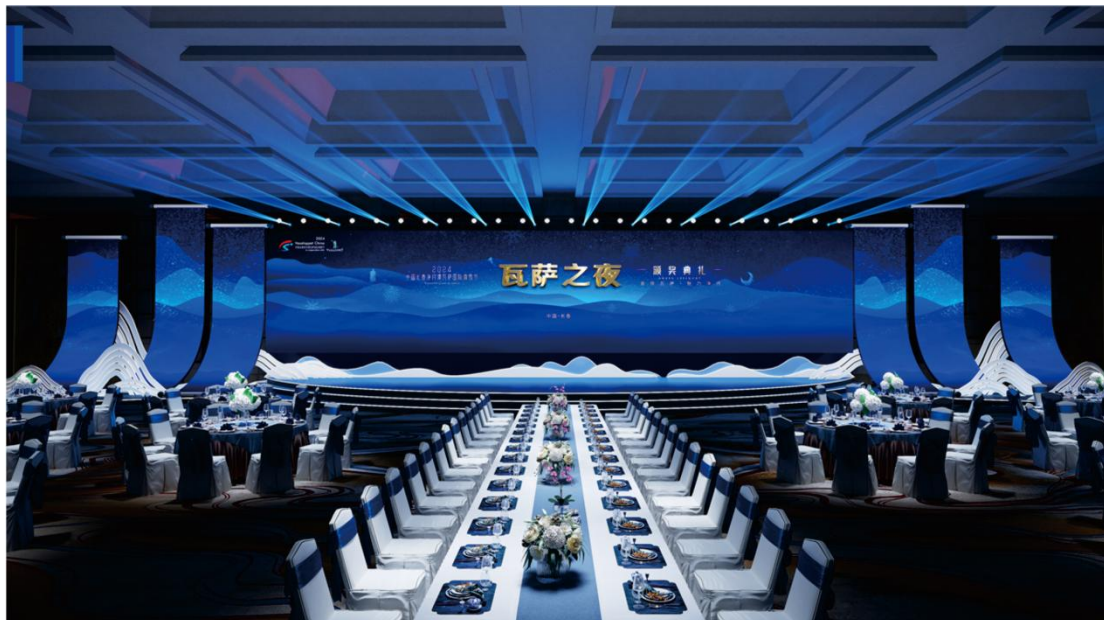

more than 30 meters.

## 2. Beautiful and suitable difficulty track

Our track is located in Jingyuetan National Forest Park, a beautiful scenic spot known as the "lung of Changchun". You will pass through snow-covered forests and endless lakes. The track is moderate in difficulty and has different race category, whether beginners or masters' needs can be met here.

## 3. Unforgettable grand awards banquet

Every year on the night after the race, we will hold a grand award banquet called "Vasa Night". Chinese characteristics performance and

food, will become your beautiful memories.(Participants who have not won can also join.)

Follow worldloppet slogan “ski around the world”, We have also provided attractive travel packages.

1. Changchun: North Spring City, snow and ice light show.

2. Beijing: The capital of China with a long history.

3. Shanghai: modern city, fashionable and prosperous.
